Students:

When asking for sponsors, let people know that you will be walking to support music education in Indiana. Half of the money you raise will go to your school, and half will go to help projects sponsored by Indiana Music Educators Association that take place around our state (like Circle the State with Song, and the Non-Competitive Festivals).

Collect all of your promised donations and bring them with you to the Walk. Checks should be made out to "IMEA." If you bring $25 or more in donations, you will get a free "Walk for Music's Sake" t-shirt.

Think about walking with a group of your friends or your choir, band or orchestra. Ask other people who support and love music to come and walk—maybe your church choir or handbell choir, your family, your teachers. Even if you don't get sponsors, the sight of so many people walking in support of music education will make a statement to the surrounding community.

You may list your sponsors' names and address on this sheet to help you keep your records straight. See you on May 17!
