

IMEA 2007 Composition Competition Entry Form

College Undergraduate Division

Submit a separate form for each work entered

The College Undergraduate Division of the Indiana Music Educators Association's Composition Competition is open to students attending a college or university in Indiana who are collegiate MENC chapter members.

Composers may enter in multiple categories (see category list), but may submit *only one work in each category*. Each composition should have a title, and must be the student's own work. Scores and recordings entered in the college undergraduate division must be anonymous submissions. Scores and recordings must be marked with a pseudonym and accompanied by the following, which will not be seen by the judges: a 3x5 card for each work, showing the pseudonym appearing on scores/recordings, the composer's name, college/university affiliation, address, telephone, and e-mail address.

Composers wishing for materials to be returned must also submit a self-addressed envelope of sufficient size and stamped with sufficient postage. Submissions not accompanied by a SASE will be recycled (when possible) and/or disposed. We will make every reasonable effort to return all materials for which a SASE was provided, but IMEA assumes no responsibility for loss or damage of submitted materials.
